**Ratan N Tata**  
Chairman

Dear Mr. Moore,

Thank you for your letter of May 20<sup>th</sup> and for the kind sentiments expressed.

I am touched by your concern regarding the safety of your staff who carry out their field job on two wheelers and also your gesture of providing them with Nanos to perform their field job safely.

I am sharing your interest in using the Nano CX with the management of Tata Motors with a request to facilitate your plan. They will respond to you directly.

Thanking you again for your interest and with regards,

Yours sincerely,
