There are Business speakers. Then there are Motivational Business speakers. There are Good Orators and then there are Knowledgeable Excellent Orators. However, a Motivational Speaker with tremendous Business domain knowledge with excellent Oration skills is a rarity and Mr Alexander (Sandy) Moore is definitely one of those rare breeds. I would definitely pay for my own ticket to go and listen to Sandy Moore talk.

As the General Secretary of CREA(I) - Confederation of Real Estate Associates (India), I would like to put on record our sincere gratitude as It is our good fortune to have Sandy Moore as a part of our Committee and heading our Training Division and I will strongly recommend Sandy to be a part of the Dias on any business forum.
